Dear Marius Pascariu,

Thank you very much for contributing to the [Encyclopedia of Gerontology and Population Aging](#), edited by **Danan Gu and Matthew E. Dupre**. With this e-mail, we officially invite you to be an author for the following topic(s):

- Please Submit: »[Force of mortality](#)« (entry type: "Medium (2,000–3,000 words)"; submission due: March 15, 2019; Authors: **Pascariu, M.\***, Torres, C.)

\* corresponding author(s)

Please click [here](#) to confirm receipt of this invitation.

**Please do not forward this e-mail to anyone:** The links in this e-mail are your personal key to our submission system, your manuscripts and your contract. On your first visit, the system will ask you to accept the copyright transfer agreement ("Terms & Conditions"). **This is a legal prerequisite to our publishing your contribution(s).**

#### Getting Started as an Author

If any entry above has not yet been submitted—i.e., labeled with "Please submit"—please follow the steps below. Otherwise, we recommend that you log into Meteor anyway, to check and ensure that authorship and copyright of your entry are correct.

1. **Check for unsubmitted contribution(s):** If any contribution above is labeled with "Please Submit," submit the manuscript following steps 2–4 below. Otherwise, you have been retrospectively added as a co-author and the manuscript has already been submitted.
2. **Read the author guidelines** (provided by the Editorial Board and Springer) attached to this e-mail before you start writing.
3. **Submit your manuscript:** Whenever you are ready to submit your contribution, click on the chapter link(s) above to be directed to Meteor and follow the step-by-step submission process. Please do not forget to click the "Submit"-button after uploading your manuscript file(s) to complete the process. A confirmation e-mail will be sent if the submission was successful.
4. **Free access:** The "Access to Published Works"-link on the "About"-tab will give you access to all English-language Major Reference Works published on SpringerLink.

**Note:** Please include the names of all article authors in the correct order with their affiliations in the manuscript and mark the corresponding author. Authorship changes are not permitted after the article has been submitted.

Should you have questions or require assistance, please contact your development editor (see author guidelines for details). We look forward to a fruitful co-operation.

Best regards,  
The Springer Reference Editorial Team
